

A report on Hospital visit

Biomedical department organized an educational visit to KD Simulation Academy for Immersive Learning at KD Institute of Allied Health Sciences, KD Hospital Ahmedabad on 6th February, 2025 Thursday at 12 AM. 28 students of the BE 4th semester, 6 students of ME 2nd year and two faculty members (Prof. Vijay Dave & Prof. Hetal Mehta) of Biomedical Engineering department visited the said institute. Students learned through immersive simulations, minimising the scope of errors in real-world medical practice and how a biomedical engineer can contribute to the healthcare field. Hospital personnel showed hands on experience of use of Augmented Reality (AR) and Virtual Reality (VR) technology for Biomedical students. Also, they showed the simulation laboratory for ICU.
