

EVENT NAME: NEXT ERA WILL BE IOT ERA!

DATE OF EVENT: 10TH APRIL 2023

EVENT LOCATION: ROOM NO. 2001- EC DEPT.

DESCRIPTION OF EVENT:

IOT Lead under club IDE organized an event “Next Era Will Be IoT Era!”. Expert lectures were provided by

- Prof. Dr. Shahidmohammed S. Modasiya
- Prof. Ravi Butani.

Prof. Dr. Shahid Mohammad S. Modasiya gave a detailed introduction to IOT trends whose topic is listed below,

- Brief introduction of IoT.
- How the industry is growing up with the help of IoT.
- How will IoT provide you with opportunities in the future?
- A brief description of some companies that provide placement and employment to IoT developers.

Our second expert Prof. Ravi Butani spoke about the drone revolution, explained the drone circuitry, and flew the drone at the event.

Finally, the organizer of the event introduced himself briefly and talked about the following topics,

- The world's largest IoT companies
- Three pillars of IOT
- A practical demonstration on RC car and Line follower car.
