

Institute Quality Assurance Committee

As a process to strengthen the institute teaching learning processes and outcomes, the following faculty members are appointed in Institute Quality Assurance Committee (IQAC) w.e.f. Dt. 06/07/2019.

The committee will carry out the academic audit of the programs by taking sufficient number of samples of course files, assignments, questions papers, evaluated answer books, students projects, placement records etc. at the end of every semester. The committee will also review and approve the documents submitted by Department Advisory Committee. The committee will provide constructive inputs for overall improvements in the academics. They will also suggest, implement and analyze the methods and processes that lead the institute to meet its long term vision of becoming a premier engineering institute.

Sr. No.	Name	Designation
