HackTheSpring'25 – A Celebration of Innovation & Technology

Government Engineering College, Gandhinagar, Gujarat is hosting HackTheSpring'25 hackathon on February 28 – March 1, 2025.

This event will bring together young innovators from various engineering institutions. Designed as a dynamic platform for students to challenge their coding, hardware, and problem-solving skills, this two-day event is packed with exciting competitions, expert sessions, and opportunities for industry exposure.

With three thrilling tracks—**Codeverse, Technoverse, and Ideaverse**—participants will have the chance to develop cutting-edge solutions, showcase their technical prowess, and compete for top honors. Whether it's software development, hardware innovation, or disruptive ideation, HackTheSpring'25 offers a space for students to push the boundaries of technology.

Event Highlights

💻 **Codeverse** → 71 Teams (272 Participants)

🔬 **Technoverse** → 18 Teams (68 Participants)

💡 **Ideaverse** → 31 Teams (110 Participants)

Beyond the competition, HackTheSpring'25 will also feature insightful expert talks and hands-on workshops, ensuring that participants gain valuable knowledge and industry exposure.

Our Esteemed Sponsors

🏆 **Title Sponsor:** Flutter Flow

📚 **Education Title Sponsor:** Red & White

📖 **Education Sponsors:**

- Storm Edugo

- Envision

- Priyesh Sir Vidhyapeeth

- Aakash

🍽 **Food Sponsors:**

- Ajay's Cafe

- Balaji Foods

Join us in this celebration of innovation, creativity, and technology at **HackTheSpring'25**—where ideas take flight and the future is built!
